- To **rethink** the role of pedagogy, teaching and design.
- To be aware that **technology, furniture and design** can facilitate teaching.
- To help **visualize** how conventional classrooms can be easily **reorganized** to support changing styles of teaching and learning

Free online professional development courses for teachers: #EUNAcademy

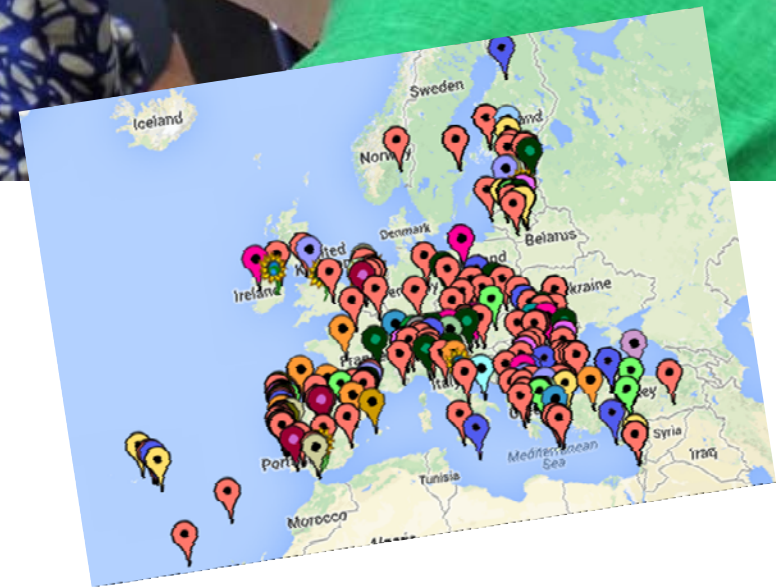

Currently running:

- Developing digital skills in your classroom
- Games in school

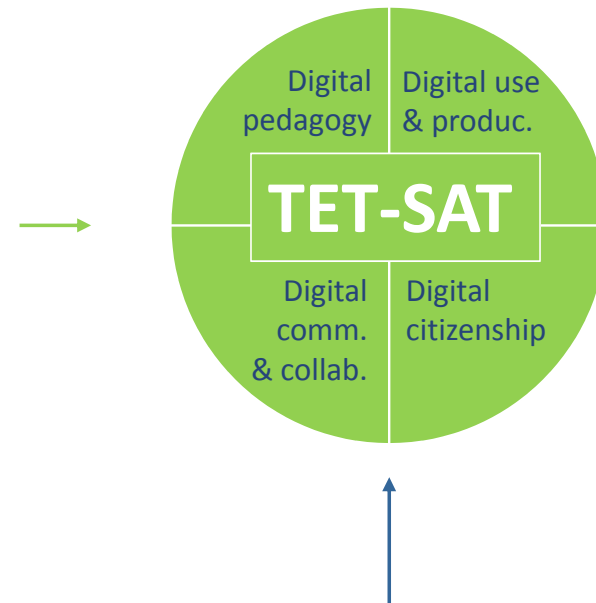

Later in 2016:

- Course on how to deal with bullying in schools
- Teaching Space Awareness in your Classroom
- Collaborative Learning in your Classroom
- Course for school IT administrators

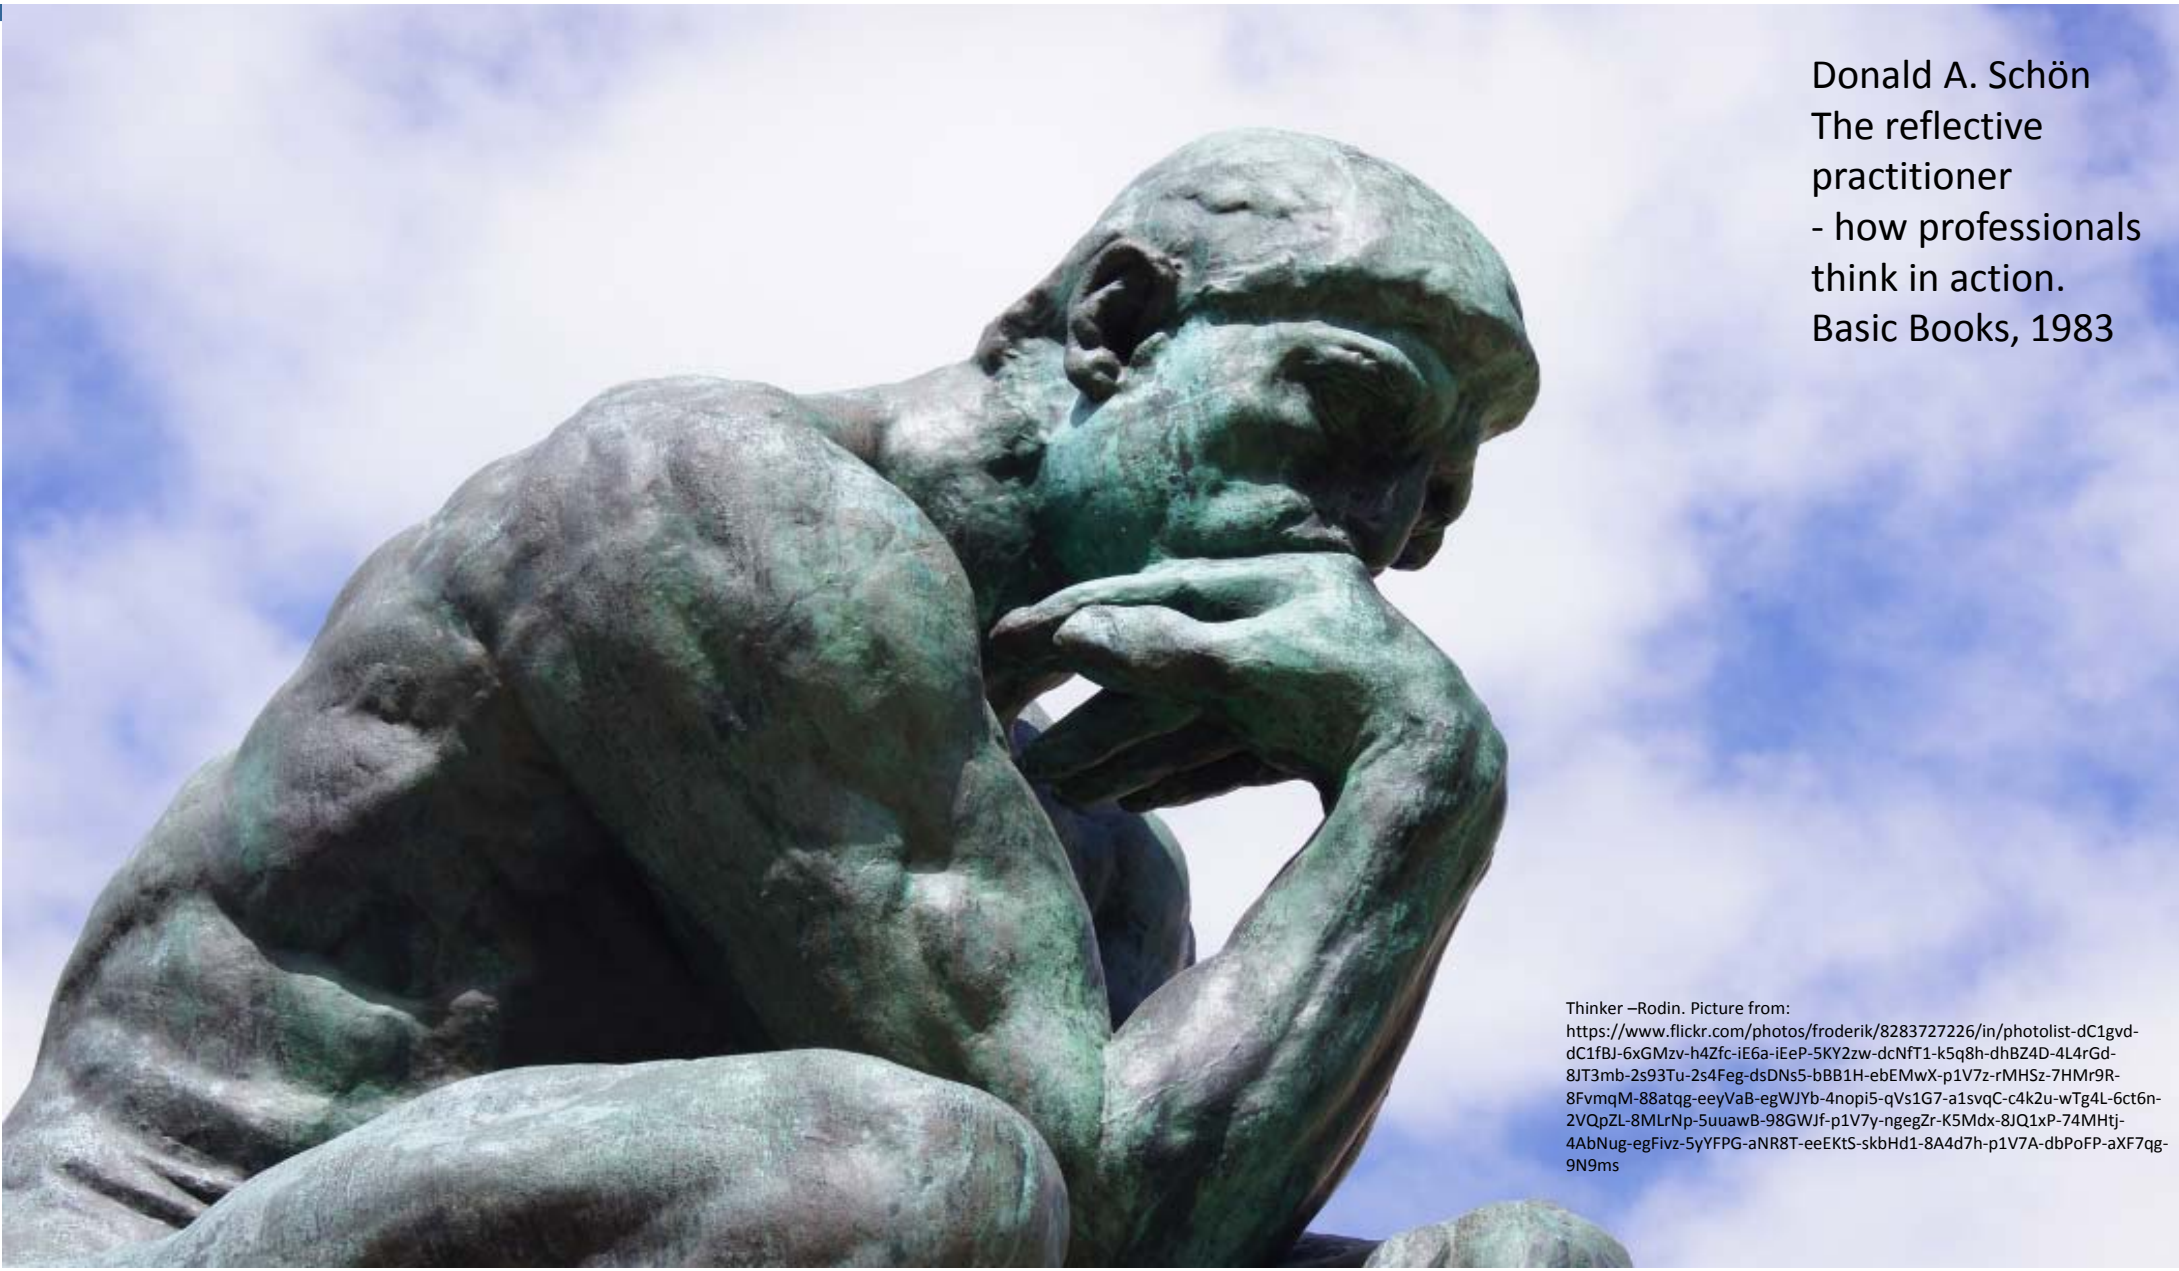

What is the impact of using a self-assessment tool on teacher competence level?

In more details: does it increase their competence? to which extent? of all teachers or some ones, and which ones? etc.

Inspired by existing tools in use

Are we moving
in circles?

We might
not be able
to
mainstream
innovation,
but we can
enlarge the
circle
